Dear Mike:

You can't believe the thrill I experienced when I opened the box to find an autographed copy of *The Cobra-Ferrari Wars, 1963 - 1965* which you were so kind to send. Leafing through the pages (I didn't know where to start - or to stop) was the ultimate past life experience!

The second time through, I began to realize what an outstanding effort you brought forth to portray a period of the sport that perhaps never again will be repeated. Thank you for that and thank you for including me.

Sincerely,
